25 Bridge Conventions You Should Know Second Edition

Barbara Seagram & Marc Smith, with David Bird

978-1-77140-071-8 | USD 21.95 CAD 27.95 GBP 17.95

The bridge bestseller of the 21st century, with more than 300,000 copies sold in six languages. Now completely revised and updated to reflect changes in bidding over the last twenty years, including three new chapters.

Bridge with Another Perfect Partner

John Carruthers

978-1-77140-072-5 | USD 19.95 CAD 24.95 GBP 15.95

A sequel that pays homage to P.F. Saunders' original classic, combining brilliant deals with acid wit as the author's 'perfect' partner unflinchingly points out how his play or bidding could have been improved.

Step by Step: Playing Suit Contracts

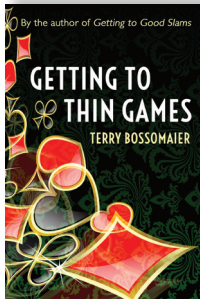

Norbert Lébely & Robert Berthe

978-1-77140-075-6 | USD 19.95 CAD 24.95 GBP 15.95

The first two titles in a four-book series on cardplay for intermediate players. Using their own question and answer method, the authors lead the reader first through learning each technique, and then applying it on their own in a series of problems. This series, a bestseller in France for the past forty years, was revised in 2020 and is now available in English for the first time.

New Titles

Fall 2022

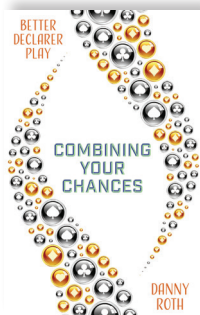

Getting to Thin Games

Terry Bossomaier

978-1-77140-067-1 | USD 19.95 CAD 24.95 GBP 15.95

Applying the same kind of computer analysis to real-life deals that he did in *Getting to Good Slams*, the author identifies the elements necessary to be successful in pushing for that game bonus, often with far fewer than the traditional number of points. Anyone who plays IMPs will tell you that this is the area where most matches are won and lost.

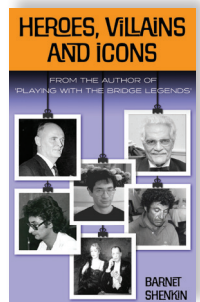

Better Declarer Play: Combining Your Chances

Danny Roth

978-1-77140-073-2 | USD 19.95 CAD 24.95 GBP 15.95

The first in a new six-book series on declarer play for intermediate players, from a well-known British author. This first book covers topics that, once mastered, will bring any intermediate player an immediate improvement in their scores.

Heroes, Villains and Icons

Barnet Shenkin

978-1-77140-068-8 | USD 19.95 CAD 24.95 GBP 15.95

A sequel to the author's *Playing with the Bridge Legends*, this book takes a more critical look at the key figures in bridge over the last fifty years or so. The author again draws on his own experiences playing with and against some of the greats to put the reader at the table with the very best in the game.
